

## HeFIS - the Hessian federal CRIS-initiative

euroCRIS Strategic Membership Meeting 2019

Julia Almering, University of Kassel

# HeFIS – History

---

- Initiated in 2013
- First association of universities in Germany to jointly introduce research information systems in order to professionally present and communicate their research activities both internally and externally.
- Funded by the Hessian Ministry of Science and Arts (currently second phase of funding)
- Overall project management and coordination of the HeFIS network is located at the Justus-Liebig-University Gießen.

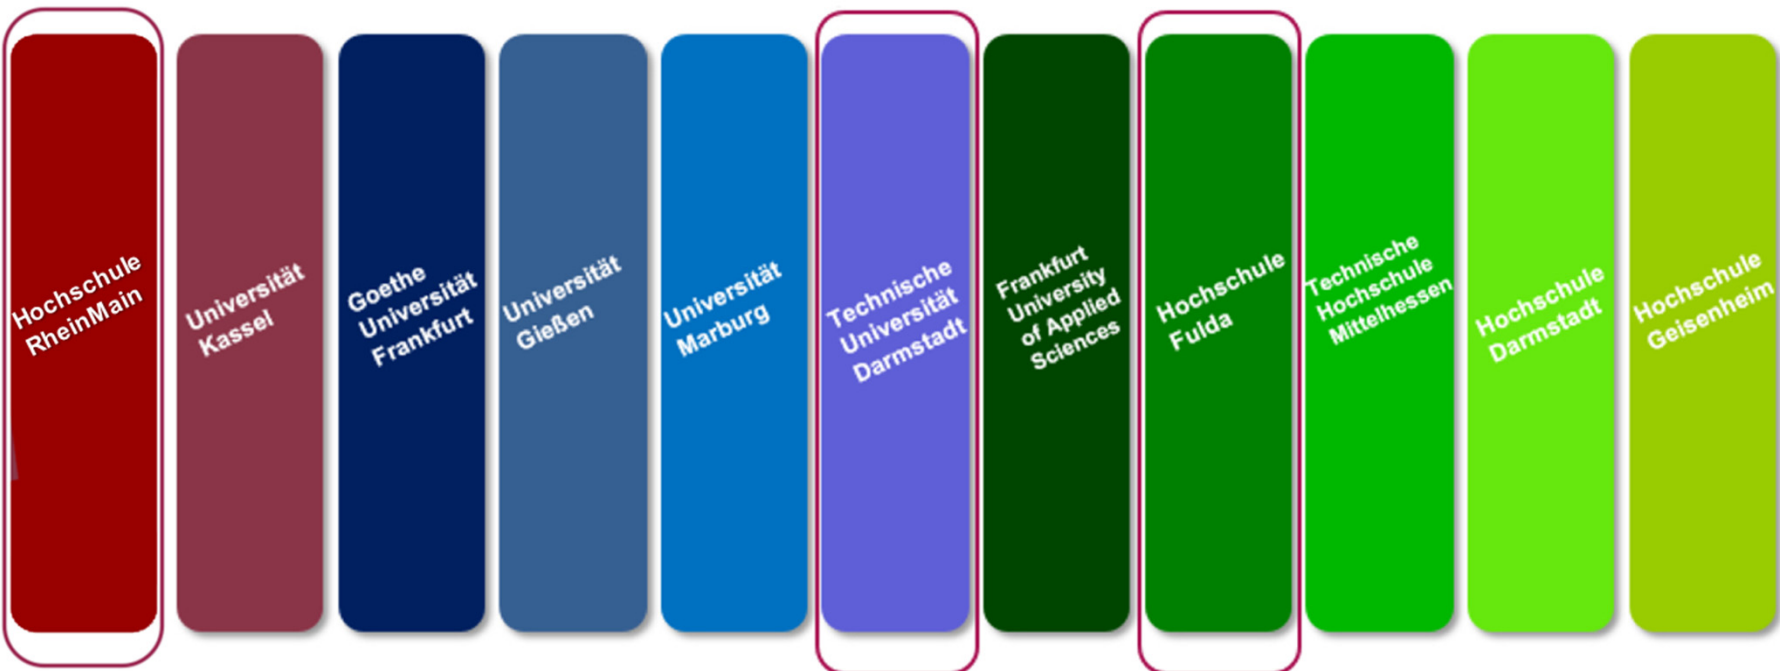

# Joint Objectives

---

- Coordinated procurement, introduction and further development of research information systems (FIS)
- Implementation of research information systems tailored to the specific needs of each respective university

# HeFIS – Network

## HeFIS 2 - Members

# Requirements for a Research Information System

---

- Central Database

- Workflow-Tool

- Reporting-Tool

- Interface

# HeFIS – Software

---

# HeFIS 2 – Status

	Publications	Activities	Graduate management	Awards	Patents	(funded) Projects
