## Largest public Research Organization in Spain

- Top 5 PRO in Europe
- +20% Spanish research output
- **No proper public CRIS**

## Spanish CoARA National Chapter

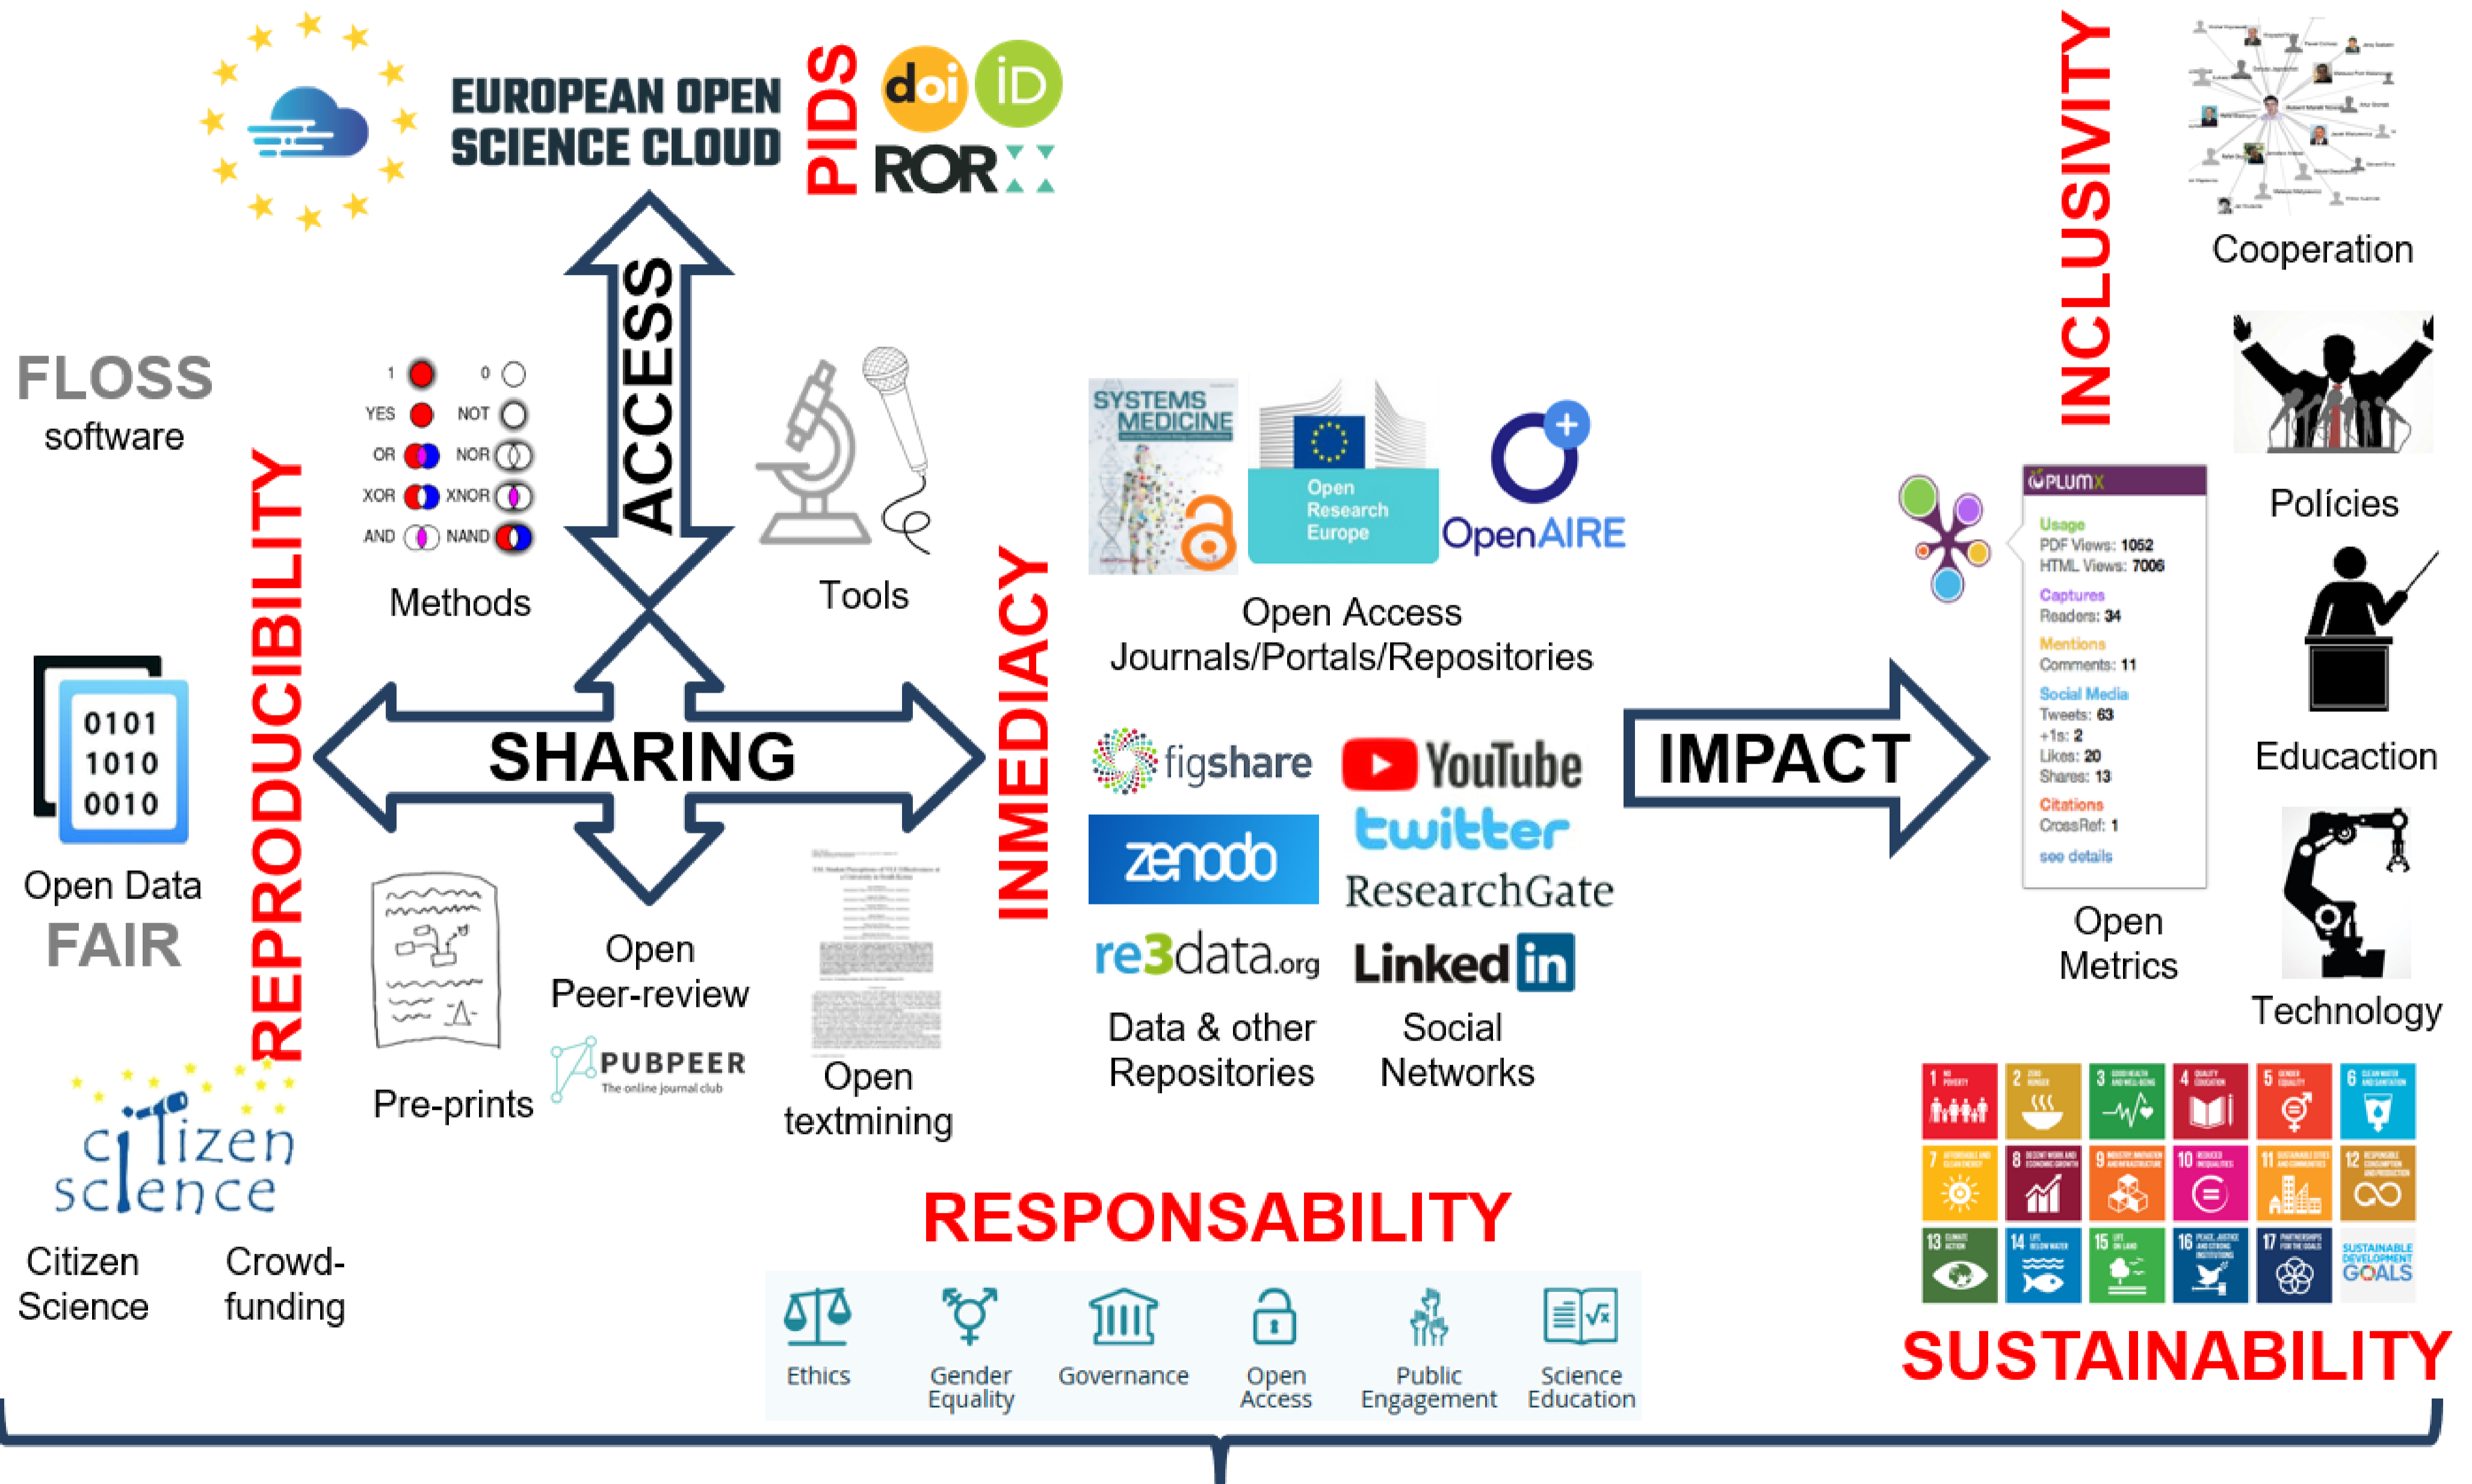

- CSIC, CRUE (Spanish Rectors' Conference) and ANECA (National Evaluation Agency)

**CRIS**  
  
**CoARA**  
**COMPLIANT**  
 (personal proposal)

DORA	Developing more relative indicators
LEIDEN	Consider better classifications (250->2000)
	Measuring also outcomes, not only outputs
OPEN SCIENCE	Quantifying open activities and products
	Improving use and understanding of altmetrics
	RRI: Mandatory conflicts of interests
CoARA	More sources and variables (200-400)
	Self-evaluation Narratives
	Diversity and inclusion: Genre, minorities, multilinguism, SDGs
