Emerging trends for international collaboration in the CRIS domain

CRIS2024 proceedings published 2024-11-18

The screenshot shows the ScienceDirect website interface. At the top, the URL is <https://www.sciencedirect.com/journal/procedia-computer-science/vol/249/suppl/C>. The ScienceDirect logo is visible. Below it, there is a cover image of the journal 'Procedia Computer Science' for the '16th International Conference on Current Research Information Systems (CRIS 2024)'. The text 'Procedia Computer Science' and 'Open access' is displayed next to the cover. A navigation bar includes 'Articles & Issues', 'About', and 'Publish' with dropdown arrows, and a search bar with the text 'Search in this journal'. The main content area features the title '16th International Conference on Current Research Information Systems (CRIS 2024)' and a list of editors: Pablo De-Castro Dr., Joachim Schöpfel Dr., and Jan Dvořák Dr. Below the editors, it specifies 'Volume 249, Pages 1-296 (2024)'.
