

PROGRAMME Strategic Membership Meeting

Theme: “Interoperability in Research Information”

10 NOVEMBER

“[In de Waag](#)” Nieuwmarkt 4, Amsterdam

- 18:00-19:00 CERIF-tutorial
19:00-20:00 Welcome reception

11 NOVEMBER

“[KNAW-Trippenhuis](#)” Kloveniersburgwal 29, Amsterdam

- 08:45-09:00 Welcome and opening by Ed Simons, euroCRIS President
- 09:00-09:40 **KEY NOTE:** *Going Dutch: Aggregating Research Information and Research Data Services.*
Peter Doorn, Director of DANS (Data Archives and Networked Services)
- 09:40-10:30 *Introduction to the theme of the Meeting: Interoperability of Research Information*
The various aspects of interoperability: identifiers, vocabularies and exchange format.
David Baker (CASRAI), Josh Brown (ORCID), Ed Simons (euroCRIS)
- 10:40-11:00 Coffee break
- Building Research Information Infrastructures on a regional, national and international level*
- 11:00-11:30 *RI Interoperability in the Netherlands: the view of the Dutch Association of Universities*
René Hageman (VSNU)
- 11:30-12:00 *Using CERIF-based CRIS to support the academic and research community: emerging services in Greece*
Nikos Houssos (Greek National Documentation Centre (EKT))
- 12:00-12:30 *FRIS: a research information infrastructure in Flanders. Integrating the aspects of interoperability, policy and governance*
Geert van Grootel (Flemish Government, Department of Economy, Science and Innovation)

Strategic Membership Meeting sponsors:

- 12:30-13:30 Lunch
- 13:30-14:00 *The Catalan Research portal: collecting information from Catalan universities via CERIF*
Ramon Ros, CSUC (Consortium for Catalan University Services)
- 14:00-14:30 *Towards a European Research Information Infrastructure*
Keith Jeffery, Honorary President of euroCRIS
- Interoperability: the view of Strategic Partners and CRIS Vendors*
- 14:30-16:00 Presentation by strategic partners of euroCRIS and CRIS vendors of their vision on (developments, challenges, opportunities, needs for) Research Information Interoperability.
Panel + discussion with the audience.
- 16:00-16:15 Coffee break
- CRIS developers euroCRIS sponsors session*
- 16:15-17:45 DSpace-CRIS (CINECA)
- 16:45-17:15 CONVERIS (Thomson-Reuters)
- 17:15-17:45 PURE (Elsevier)
- 20:00 Meeting dinner at restaurant "[Lieve](#)"

12 NOVEMBER

Developments in Research monitoring, evaluation and benchmarking

- 09:00-09:45 **KEY NOTE** *New developments in monitoring and evaluation of research*
Julia Lane (US: American Research Institutes)
- 09:45-10:20 *ACUMEN a multi-dimensional researcher portfolio*
Paul Wouters (CWTS-Leiden)
- 10:20-10:40 Coffee break

Strategic Membership Meeting sponsors:

10:40-11:15 *Snowball Metrics: a standard for research benchmarking between institutions.*
Lisa Colledge, Elsevier.

Interoperability and funder information

11:15-11:50 *Überresearch: harmonising research funder information.*
Gerry Lawson and Christian Herzog, Überresearch.

11:50-12:25 *Interoperability In research information, the view of a national funder: NWO Netherlands.*
(Speaker: to be announced).

12:25-13:30 lunch

The (possible) role of a CRIS for Research Data Management and Archiving

13:30-14:05 *Research Data Services Project at Radboud University (NL)*
Piet van Dongen (Radboud University)

14:05-14:40 *Research data archiving in the UK*
Anna Clements (Saint Andrews University, Scotland)

14:40-15:00 Coffee break

15:00-16:30 *Panel discussion with Strategic Partners*
Towards the startup of concrete use cases of cooperation

16:30-16:45 *Closing remarks by euroCRIS President*

16:45 After meeting drinks.
