# State Aid System for R&D and Information System on R&D&I

Lukáš ZENDULKA, Ph.D.

*Department of the R&D State Policy,*

*European and International Initiatives Implementation*

Division of Science and Technology

Ministry of Education, Science,

Research and Sport of the SR

# R&D environment in Slovakia

- **Universities**

- 3 State Universities, 20 Public Universities – 480 M EUR (2017), 160 M R&D (2017), 12 Private Universities

- **Slovak Academy of Sciences**

- National R&D organisation funded from State Budget (60 M EUR/year)

## 1st Department (14)

- Earth and Space
- Mathematics and Physics
- Technical Sciences

## 2nd Department (19)

- Medicine
- Biology and Chemistry
- Agricultural and Veterinary Sciences

## 3rd Department (18)

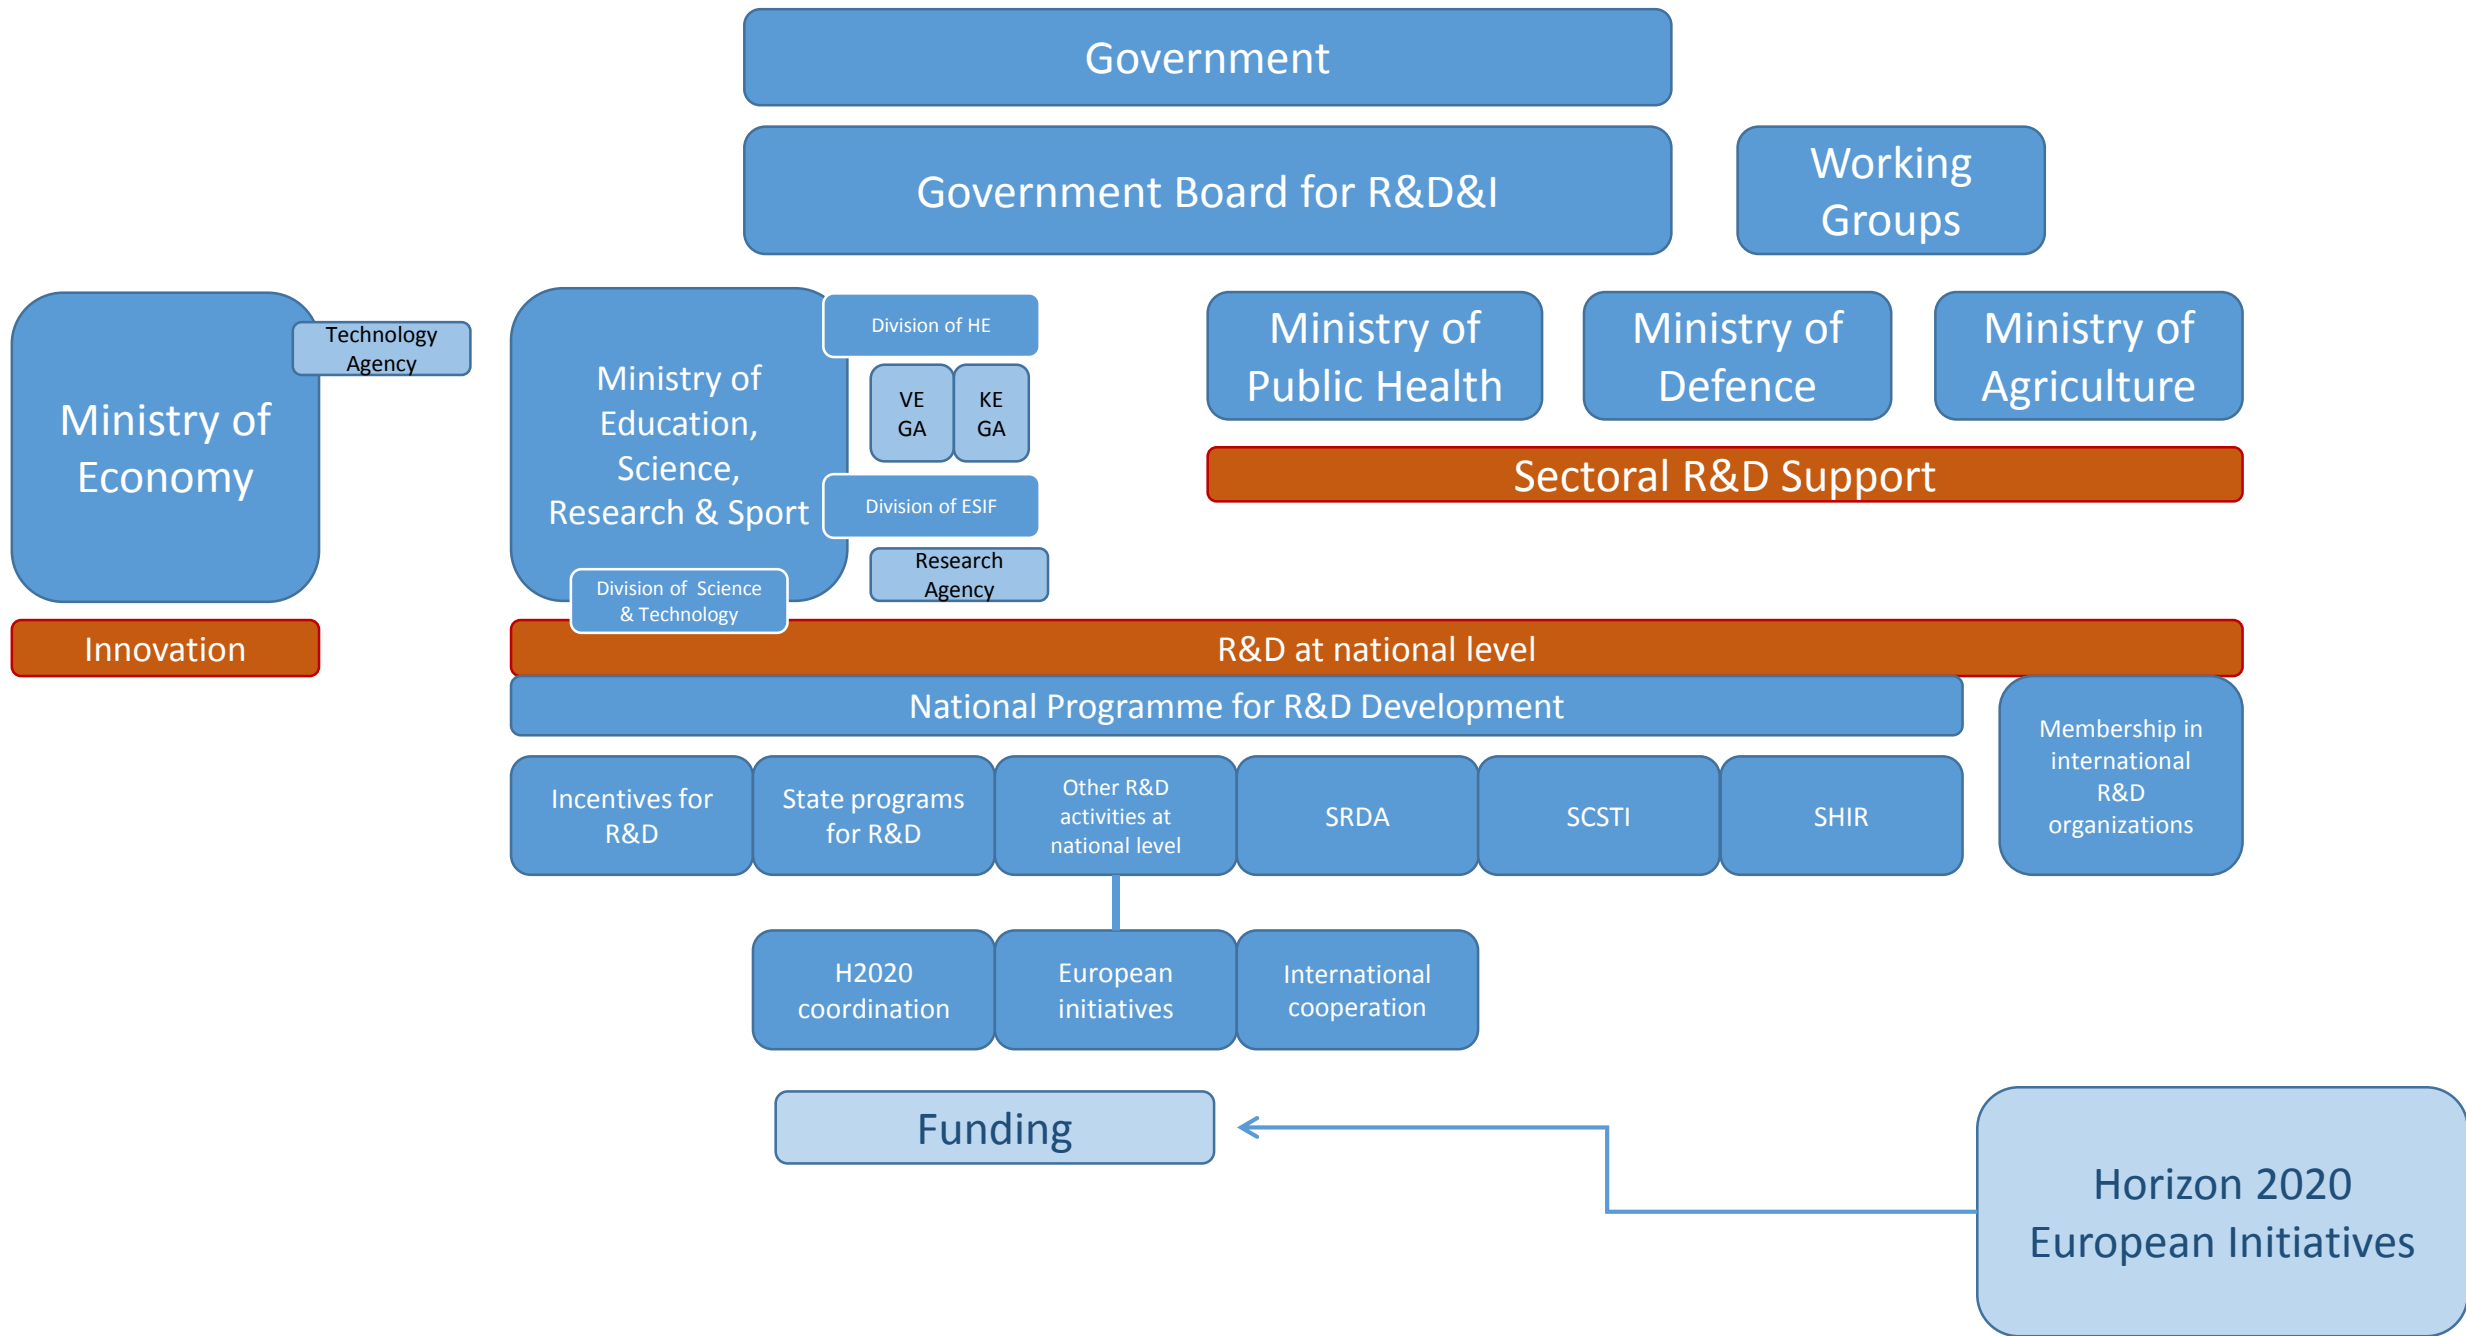

- History
- Social Sciences and Humanities
- Culture and art

- **State-governed Research Institutes**

- **Private entities (businesses, non-profit organizations)**

# Funding of R&D at National Level

- **State Budget** - National Program of Science and Technology Development (Division of Science and Technology – MESRS SR, project oriented funds)
- **EU Sources**
  - European Structural and Investment Funds – operational programmes (OP R&I 2014 – 2020)
  - H 2020, European Initiatives (EUREKA, Eurostars, etc.)
- **Private funding**
  - Objective: growth of R&D expenditure up to 1.2% of GDP (33% State Budget, 66% Business resources) by 2020

# National Program of S&T Development

- State Budget program (ca. 59 mil. EUR for 2017)
- Funding of State R&D Policy aims
- Coordinated by MESRS SR
- Funding of different activities:
  - Incentives for R&D (*general info, public calls, projects & results*)
  - R&D State Programs, State Programs for Development of R&D Infrastructure (*general info, public calls, projects & results*)
  - Support of Services for Science and Technology (*general info, calls, projects & results*)
  - Slovak Research and Development Agency (*calls, projects, outcomes*)
  - Membership of SR in international R&D centers and initiatives (*general info, calls*)
  - Other activities funded from State Budget (*general info*)

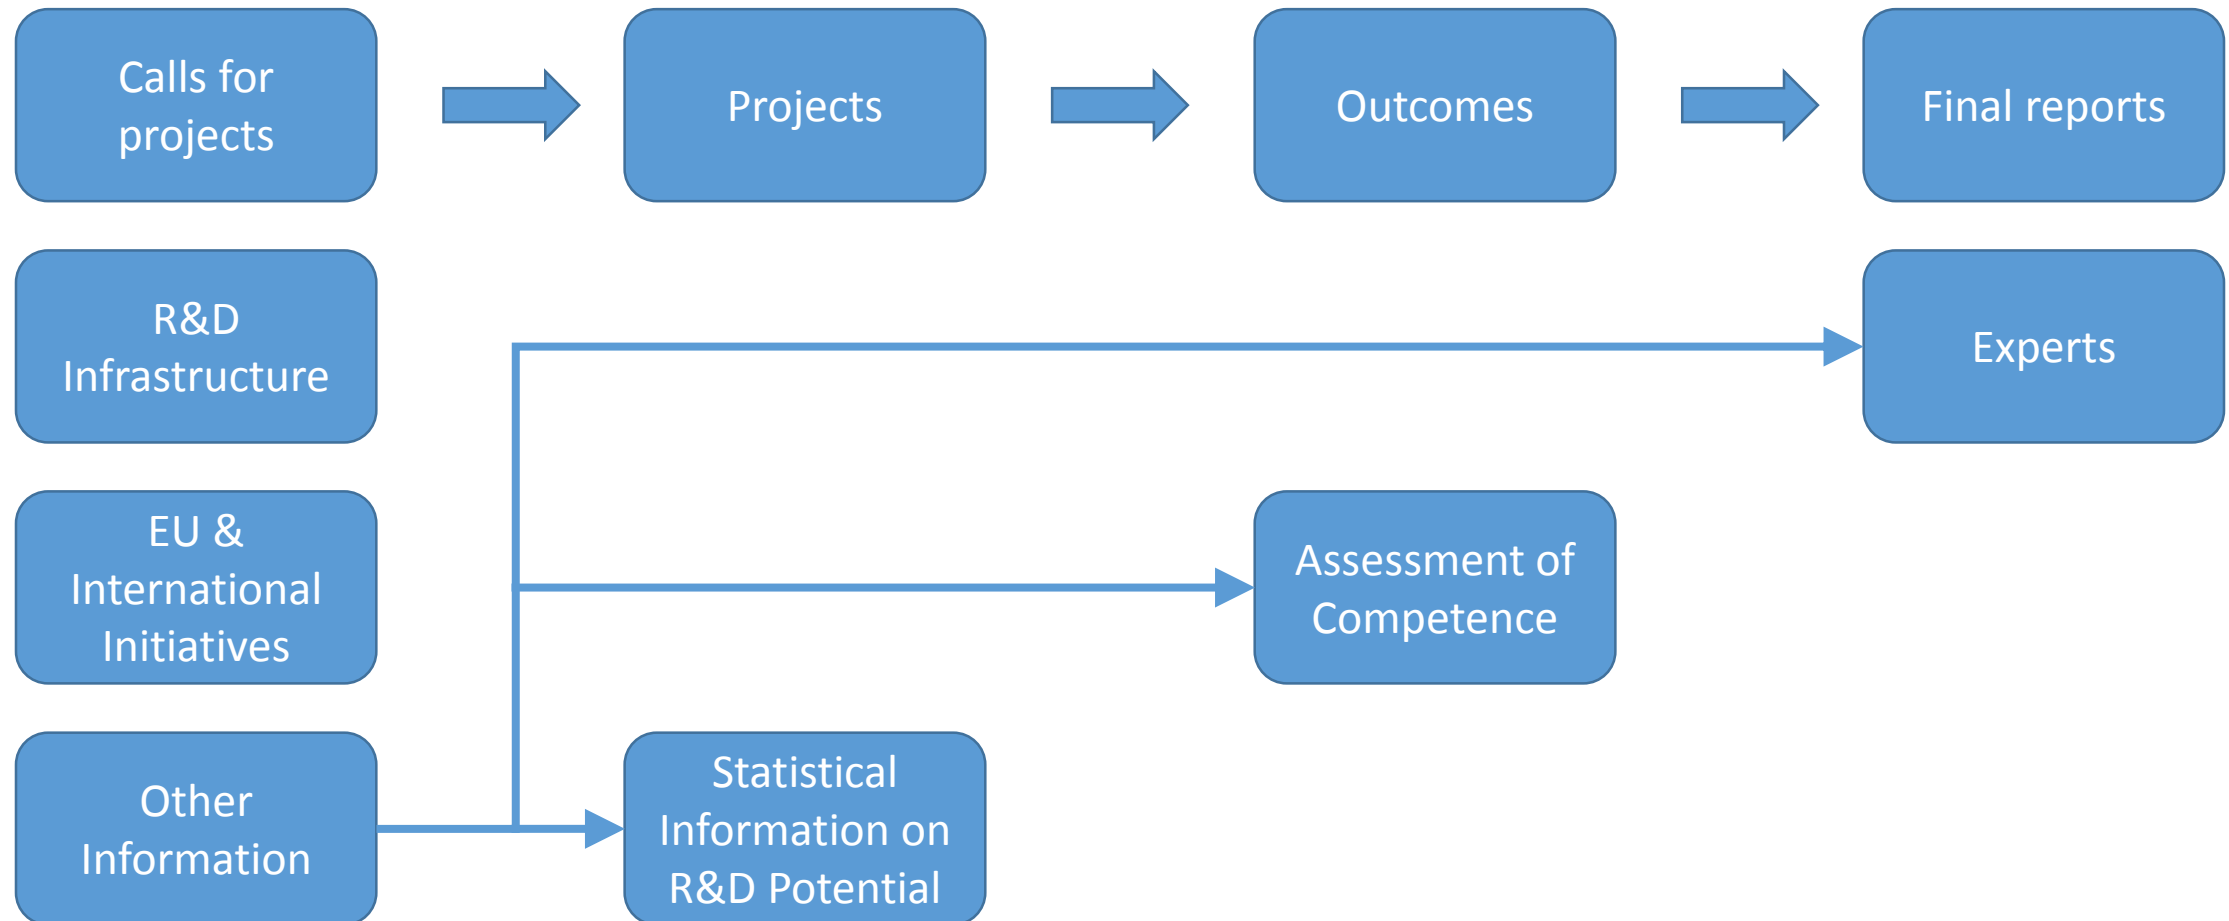

# Central Information System for R&D&I

- **Act no. 172/2005 Coll.** on the Organization of State support of R&D
- **Decree of the ME SR** no. CD-2009-18616/1291-1:11 on details on the structure, procedure and time limits for the provision of information and details on the operation of the information system of the ME SR on R&D
- **Main idea** – gather information on activities funded from the state budget, provide information and services to the public, popularize science
- **Administrator** – SCSTI SR
- **Structure:**
  - IS accessible to the administrator only
  - Public IS

# Operation of the Central IS for R&D&I

- **MESRS SR with SCSTI SR**
- developing the concept of IS development
- ensuring the quality and sustainability of the IS, the effectiveness and adequacy of the use of the information obtained
- running the IS, SW and HW support
- regularly updating information and making it available through the information portal
- adjustment of the performance of the information system and the information portal
- ensuring protection of the IS and the information processed in it
- elimination of technical deficiencies,
- archiving of all received information

# Public IS – Structure of Information
