Afghanistan, Albania, Azerbaijan, Barbados, Belize, Hungary, Lebanon, Mexico, Namibia, Russia, Saudi Arabia, Slovakia, Sri Lanka, Sweden, Trinidad and Tobago, Turkey, Uganda, United Arab Emirates and Uruguay

**107 respondents did not provide a country

Respondents by RIM Status (n=381)

Note: 29 respondents did not provide their RIM system

Respondents by Region (n=381)

Drivers for RIM adoption by region

How many systems?

- ☐ No
- ☒ Yes

In the 18% of the cases where both CRIS and IR systems are available a single software platform is used for both

Does Your RIM System Serve as Your Default...

Importance of RIM System as Registry of Institutional Research Outputs

CRIS-Repository Interoperability

Which of the following internal systems interoperate with your RIM System(s)?

A radical switch in the user's perception

Content and Functions

Important Functions of RIM (n=203)

Base: Institutions with a live RIM system

Extremely important Important Somewhat important Not important N/A or Not sure

Most important RIM functions by Region

Internal Systems Interoperability

Internal Systems that Interoperate with Your RIM System (n=184)

Note: Respondents could select more than one answer
