ON THE AGENDA FOR TODAY

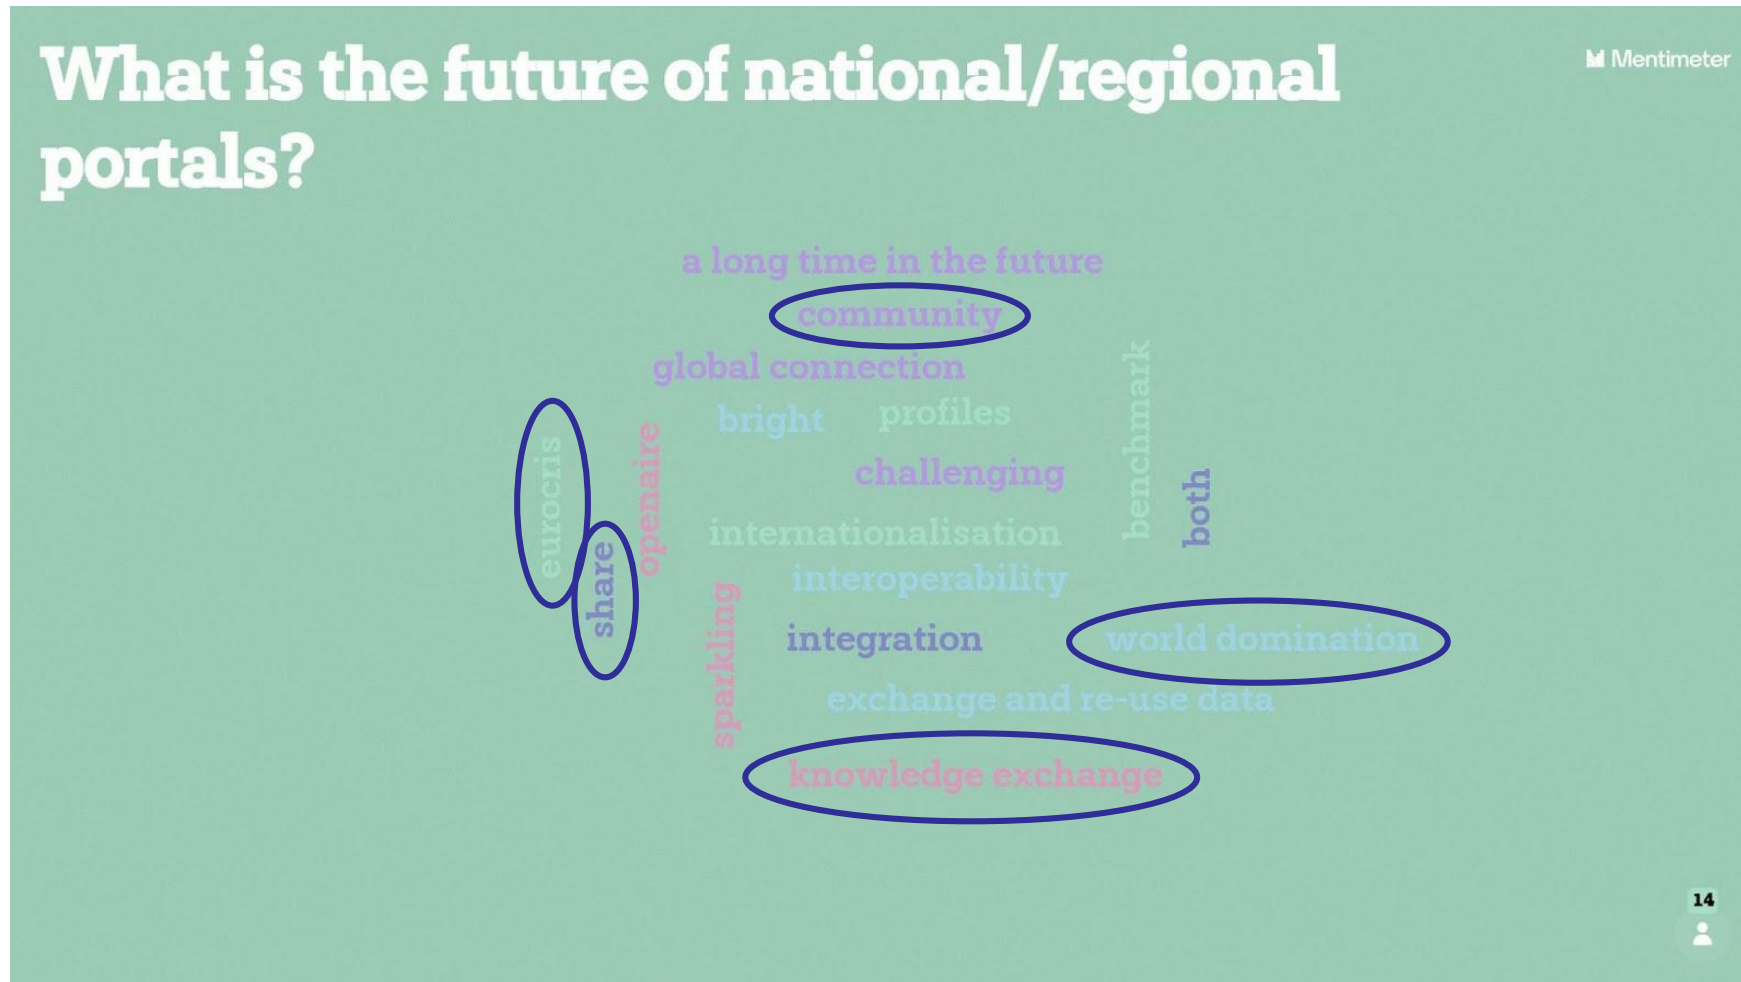

- How it started
- Working Group setup and organisation (initial information)
 - Collaboration space
 - Participation
 - Next steps
- Questions

WORKSHOP AT CRIS2022

- Workshop @ CRIS2022
- Coordinated by euroCRIS & RIS Synergy
- Participants: Representatives from CroRIS, Hércules, Data4R&I, Research.fi, FRIS, CRISTin, PRC and RIS Synergy
- Goals:
 - To discuss **challenges and opportunities** of national/regional research portals
 - To share **lessons learned** from the initiation and implementation processes
 - To discover **best practices** regarding project management, decision-making processes and technical specifications

WORKSHOP AT CRIS2022

THE WORKING GROUP: GOALS

- Platform for networking and discussion
- Information hub on national/regional research portals
- Contact point for (new) initiatives
- Deliverable: A best practice guide for implementing and operating a national/regional research portal

EARLY CANDIDATES

- CroRIS (Croatia)
- Research.fi (Finland)
- FRIS (Flanders)
- Danish Research Portal
- Hércules (Spain)
- DialnetCRIS (Spain)
- CRIS-IL (Israel)
- CRISin (Norway)
- SK CRIS (Slovakia)
- ETIS (Estonia)
- URIS (Ukraine)
- NZRIS (New Zealand)
- IRIS (Iceland)

TOPICS ON THE TABLE

- Lessons learned
- Persistent identifiers (PIDs)
- CERIF-based interoperability: top-down & bottom-up
- Implementation of OpenAIRE Guidelines for CRIS Managers
- Promotion of a national/regional portal to different stakeholders/target groups
- National/regional research portals and funders
- National/regional research portals and research instruments and facilities
- Indicators arising from portals for research policy decision-making

SETUP AND ORGANISATION

- Quarterly online meetings
 - In advance: Call for contributions on a specific topic
 - Presentations
 - Discussion / breakout sessions
- Collaboration space: Google Drive
- Mailing List: Google Group
- Main contact point for registration:
ris.workinggroup@gmail.com
